Observations... From Around Town

(BY JAY WHOZIT)

Monday, February 14th is the Feast of St. Valentine, the day on which many young hearts will beat just a little bit faster when they hear the sound of the mailman's approach; for many it will be messages of love and tender sweet sayings, for others, comic messages of ridicule from someone who hasn't the nerve to say personally what he or she thinks of the other person... George Stevenson, who has been made Drive chairman of the American Red Cross Fund Campaign which will start on March 1st, will name his supporting committees later this week, and everyone is urged to help put this campaign over in the least possible time... our congratulations to Mr. and Mrs. Joseph O. Mauffray who celebrated their Golden Wedding anniversary this week, and may they live to celebrate many more anniversaries... a Biloxi, Miss. woman, Mrs. Ruth Fallo, won more than \$23,000 worth of prizes, on Tuesday night of this week, on the radio show, "Hit The Jackpot" in New York City, when she identified the secret saying as "Fair, Fat and Forty." We're sure glad that someone close to home was lucky enough to get some of these radio prizes... sometime ago, Mayor Carver, your attention was called to the condition of the street between the Post-office and the new Baptist Church building, but nothing was ever done about it and now following the heavy rains of last weekend, it is in a worse condition than ever, with holes in some places nearly a foot deep... don't you think something temporary could be done about this, until such time as a permanent hard-surface topping could be applied?... although very short, this is one of the most used streets in town... the Bay High School PTA will definitely sponsor another Carnival celebration on Mardi Gras Day, March 1st, with a parade through town and general masking and merry-making the order of the day, and with prizes to be given for the best float, maskers, etc... the committees in charge of the decorations for the Carnival Ball to be given at St. Joseph Academy Gymnasium on Friday, February 25th, are really keeping busy and from reports from those who should know, they hope to make this ball one of the most beautiful yet given... the new owners of the Orthe Theater, headed by Mr. Charles Zerr, took over active possession on last Sunday evening... our town has gone "big time" in an unlawful sort of way, with several robberies over the weekend among other things—one business was entered through a hole sawed in the floor from underneath and robbed of the weekly payroll, while in another robbery a large pleasure boat owned by a local automobile dealer was stripped of the large batteries, radio, and other accessories worth hundreds of dollars... so far none of the culprits have been apprehended... Dennis Murphree, former Lieut. Governor, and twice Governor of Mississippi without being elected to the important post, died in Jackson this week, after a long illness... Chairman Sidney T. Ruebeck of the Mississippi State Highway Department, in Washington this week, seeking additional highway funds, said that a new bridge over the Bay of St. Louis to replace the present wooden structure, would cost approximately \$6,500,000 and that the state could not finance such a project at this time without federal aid.

Robbers Entered W. A. McDonald & Sons Store Saturday Morning

W. A. McDonald and Sons, wholesale and retail store was robbed at an early hour on Saturday morning. The loss was in the neighborhood of \$1,500.00 in cash and merchandise. When the owners of the store came down Saturday morning to open, they found a hole had been cut in the floor, a safe blown open, and another hole cut in the floor. Papers were strewn over the floor. The cash register broken open. Merchandise such as watches, guns, tools, etc. were missing as well as about \$100.00 worth of cigarettes. Sheriff B. D. Johnson, City Chief of Police Frank Hobbs and Mayor W. J. Carver were on the scene within a short space of time and finger prints were made by Sheriff Johnson. Mrs. Paul Delcuz and Mrs. Claude Month, who live near the store, said they were awakened between two and 3 o'clock Saturday morning by unusual noises but seeing no light and not hearing further noises they did not call anyone. For many years the firm has maintained a night watchman but he was not on duty that night. From all appearances the robbery was the work of professionals but at this time no clues have been found as to the identity of the robbers.

Local REA Co-Op Sends Delegates To National Convention

The Coast Electric Power Association, with headquarters in Bay St. Louis, and now serving approximately 4000 rural members in Hancock, Harrison and Pearl River Counties, was among the nearly 1000 R. E. A. Cooperatives represented at the 7th Annual Rural Electric Cooperative Association Meeting held in New York City, January 31 through February 3.

The Board designated Directors, John S. Rester, Hancock County; Fred S. Ladner, Harrison County and W. H. Burks, Pearl River County, and Co-op Manager, H. H. Shattuck, to represent the co-op at this important meeting. The group left Bay St. Louis, Saturday, January 29th, and returned Saturday, February 5th, spending Friday, February 4th, in Washington, where they, together with the representatives of eight other South Mississippi R. E. A. Co-ops and one South Louisiana R. E. A. Co-op, met with Members of Congress from the area. Senators John S. Stennis, James O. Eastland and Russell Long attended the meeting, as did House Member William M. Colmer, Pascagoula, Sixth Mississippi District; Arthur Winstead, Philadelphia, Fifth Mississippi District; and Representative John E. Rankin of Mississippi, known far and wide as "one of the fathers of R. E. A." and fighting champion for public power. All Congressmen present pledged unwavering support for the R. E. A. program until, as Representative Rankin put it, "electricity is available to every home that can be found and visited by the tax collector in peace time, and that the draft touches in time of war."

The New York meeting was one of inspiration to all co-op representatives. From the Welcoming Address by New York Mayor William O'Dwyer, to the Final Committee Reports four days later, these were a continuation of interesting programs, highlighted by top ranking speakers. John R. Stechan, Executive Assistant to President Truman, read a message sent to the group by the President, and personally assured co-op leaders that their goal of electricity for all would receive continued support from the White House.

Other noted speakers were: Secretary of Agriculture, Charles F. Brannan; Secretary of Interior, Julius A. Krug; Senator Geo. D. Aiken of Vermont; Representative W. R. Poage of Texas; R. E. A. Administrator, Claude R. Wickard; and NRECA Executive Secretary, Clyde T. Ellis. The convention taxed the best facilities New York could offer and the thousands attending the convention, when not in session, crowded the 45 exhibits displaying electrical equipment, this both for line construction and for use in the home, office equipment and other related products.

H. H. Shattuck, Manager of the Coast Electric Power Association, said it was a busy week for their group, but that he knew he bespoke the sentiments of the three other delegates also, when he said that the enthusiasm shown at the Convention will go far in making it sure that R. E. A. Co-op electricity will be ex-

BUILDING CONTRACTORS, PLUMBERS AND ELECTRICIANS TO MEET

A meeting of all building contractors, plumbers, and electricians interested in the formation and adoption of uniform building, plumbing, and electrical codes will be held on Monday night, February 14, 1949, at Watkins' Broadview Restaurant on Highway 90. Those who have not already been notified and who wish to attend are asked to contact Mayor Warren J. Carver at any time so that arrangements can be made. A "Dutch" supper will be served along with the meeting.

Robert Drumm Famous Pianist Will Be At Bay High February 17th.

The music lovers of Bay St. Louis have a treat in store for only \$35. It is an opportunity to hear the famous Broadway and Hollywood pianist, Robert Drumm, who will be in Bay St. Louis in person on Thursday, February 17 at 9 a. m. in the auditorium of Bay High School. With him will be another Broadway-Hollywood Star, Nelson Sabin, N. B. C. Singing Star who will also be on the program and all of this you may have for only \$35.

The program is not a benefit program and no money will be used except for the expenses of the two artists.

Robert Drumm first came into national prominence by the winning of the Carnegie Technical Award Foundation. He also was winner of honors at the graduate school of the Juilliard School of Music, New York City.

He then enlisted in the Army, where he gave the first concert ever to be given at Okinawa, for which he received special commendation from the United States commander, for his stellar performance.

Musical Program Rendered At Bay High Assembly Period

Mrs. Carl T. Smith, teacher of piano and voice at Bay High, and George Wimberly, band director, gave a musical program at the assembly period of the school on Wednesday morning of last week.

Mrs. Smith presented two of her pupils, Tempie Perkins who played three Schubert waltzes and Janelle Van Trier who sang "In My Garden" and "Stars in My Eyes," the latter by Crisler.

Mrs. Smith favored with two piano selections and Mr. Wimberly played two clarinet solos.

Boy Scouts and Knights of Columbus Observe Scout Program Sunday

Boy Scouts of Troops 208 and 217 and members of the Knights of Columbus assembled at the K. C. Home, on Sunday morning, February 6th, 1949. With the American, Knight of Columbus and Scout Troop Flags in the lead they marched to Our Lady of the Gulf Church, where they attended 7 o'clock Mass and received Holy Communion in a body.

Breakfast was served to all scouts of Bay St. Louis and the men, at the K. C. Home, immediately following the Mass. Scouts of other faiths, attended their respective church services, during the morning.

On Sunday evening, Scouts and their parents, Knights of Columbus, their families and many friends gathered once more at the K. C. Home, where James Seghers, as master of ceremonies conducted the following program:

Presentation of the Colors by Scouts.
Invocation by Rt. Reverend Msgr. A. J. Gmelch.
Song: "My Country 'Tis of Thee" By all.

Short talk on "Scouts as the future citizens" by his Honor Mayor Warren Carver.

Mr. Wilmer Thibaux, Grand Knight and Mr. Carl Arnold, Dis-

trict Chairman told briefly of the need of cooperation and interest of more parents.

A movie "Scout Trail to Citizenship."

Several games were played in which scouts and members of the audience participated, supervised by L. S. Elliott, assistant District Chairman and Training Chairman.

Mr. Fred Fayard, Scoutmaster of troop 217 and Mr. Ed. Arceneaux, Jr., Scoutmaster of Troop 208, expressed their appreciation of the splendid attendance and asked continued interest in Scouting.

Pledge of Allegiance by all.
Scout Pledge and retiring of the colors.

Song: "The National Anthem" by all, closed the program.

Mrs. L. S. Elliott furnished the music for the occasion on the piano. Refreshments were served during the social that followed.

Thus, Boy Scout Troop 217 sponsored by Our Lady of the Gulf Church and 208 sponsored by the Pere Le Duc Council of Knights of Columbus, through the cooperation of the Knights of Columbus, started the program of activities of National Boy Scouts of America Week, in Bay St. Louis.

Celebrate Golden Wedding Anniversary

The golden wedding anniversary of Mr. and Mrs. Joseph Oliver Mauffray was celebrated on Tuesday, February 8th, 1949. This venerable couple renew their marriage vows at a Nuptial Mass celebrated by the Right Reverend Monsignor Andrew J. Gmelch, pastor of Our Lady of the Gulf Church, at 9 o'clock Tuesday morning. The choir of St. Joseph Academy sang during the Mass.

Their attendants on this occasion were their son Ludwig Mauffray and their daughter Miss Elsa Mauffray. Many relatives and friends were in attendance at the Mass.

Mr. and Mrs. Mauffray were married in Biloxi, Miss., on February 8th, 1899. She was the former Miss Dora Thompson. The Echo of February 12th, 1899 carried the following news item of their marriage: "Mr. Joseph O. Mauffray of this City and Miss

Dora Thompson of Biloxi were married Wednesday Evening at the Catholic Church in the latter named City. Reverend Alphonsus Ketels officiating. The estimable young couple have many friends whom the Echo join in well wishes. Mr. and Mrs. Mauffray are charmingly domiciled on Carroll Avenue."

They have had eight children, all of whom are living.

In the afternoon and evening a reception was held at the home on Main Street, where Mr. and Mrs. Mauffray received their many friends and relatives who called to extend their good wishes. The home was a profusion of flowers, many the gifts of friends of this occasion. Mrs. Mauffray wore a dark grey crepe dress trimmed at the yoke in beads and at the shoulder was a white orchid corsage with gold ribbon.

The wedding cake which centered a lovely decorated table represented the figure "50." Mr. and Mrs. Mauffray cut the cake in the traditional manner of the bride and groom.

Mr. Mauffray is one of Hancock County's outstanding men. A Christian gentleman, devoted to his family, and loved. He operated, Mauffrays Drygoods and Hardware Store for many years, and then passed it on to his children when he decided to retire. In order to carry on some activity he accepted the Presidency of the Peoples Federal Loan and Savings Association. Throughout the fifty years of married life he has had the aid of a faithful, loving wife, a devoted mother, whose home has been her paradise.

May God give to them many more years of added happiness together.

Welcome For American Bishop Of Society Of Divine Word Planned

MOST REV. LEO C. ARKFELD

Plans are being made for the reception to be extended to the Most Rev. Leo C. Arkfeld, S. V. D., Vicar Apostolic of Central New Guinea, one of the three newly-consecrated American bishops of the Society of the Divine Word, is coming to St. Augustine Seminary to ordain to the priesthood three seminarians on February 24.

Bishop Leo Arkfeld, S. V. D. was recently consecrated at St. Mary's Seminary, Teachney, Ill., on November 20, by Samuel Cardinal Stritch, Archbishop of Chicago. The Bishop went to New Guinea missions five years ago in a group of 20 Divine Word missionaries sent to the territory which had been emptied of missionaries by the war. Bishop Arkfeld, who is 36 years of age, is the youngest of 37 prelates who head mission territories entrusted to the Divine Word Fathers.

Born in 1912, in Panama, Iowa, Bishop Arkfeld was ordained in 1933, was appointed to the New Guinea missions in 1944. He has been laboring as a missionary in Lae, flying his own plane to many out-stations, in a territory which never before knew a Catholic missionary. He will reside at Kariu near Wewa. Bishop Arkfeld's saintly predecessor was Bishop Joseph Loefer, S. V. D., who with a score of priests, brothers, and sisters died aboard a Japanese cruiser in the recent war.

Bishop Arkfeld, together with another Divine Word Bishop, namely, the most Rev. Stephen Appelhans, S. V. D., Vicar Apostolic of East New Guinea, is leaving for his mission on March 3 by plane.

Dr. and Mrs. T. B. Sellers left this week for Houston, Texas, to spend the week end with their son who is assistant superintendent of the Herman Hospital at Houston.

Parent Teachers Association Complete Plan For Annual Carnival Parade On Mardi Gras Day

The Parent Teachers Association of Bay High School have completed plans for the Annual Mardi Gras Carnival in Bay St. Louis, scheduled for Shrove Tuesday, March 1st.

A group of men are soliciting entry fees from businesses, organizations, clubs, etc., which entitles them to an entry of a "float" (decorated truck) in the parade for Cash Award in the "Business Classification."

The Grade teachers at Bay High are going forward with arrangements for their individual class-room themes.

Several other City and County schools have already made known their intention of having an entry in the best "City and County School" classification.

Great interest has been created in the "Horsemen" group and the promise of a large entry in this class is expected and anyone wishing to enter is cordially invited to participate.

Attention is being called to all businesses, organizations, clubs, etc. who have paid their subscription fee of \$5.00 and have not made known their desire to enter a "float" in the Parade, to do so by contacting either Mrs. Sam Whitfield or Mr. Chas. A. Breath, as it is necessary that a placard be made for your identification to the Judges for the best entry in "Business" classification.

Children are to be encouraged to ride their decorated bicycles in the "Bicyclist" group and join in the parade.

parade. Three cash awards will be made to Maskers, so dress up the tots, and join in the fun.

All prizes will be awarded at the Bay High gym later in the afternoon. Remain in Bay St. Louis this year, join in the parade and the fun, for this gala occasion.

ALTAR SOCIETY MEETING TO BE HELD WEDNESDAY

On next Wednesday, February 16, the regular monthly meeting of Our Lady of the Gulf Altar Society will be held in the Music Room of St. Joseph Academy at 2 p. m.

All members are requested to be present, however, if you are not a member, Mrs. Assenheimer, president cordially invites you to attend this meeting.

Membership of Christ Episcopal Church To Have Annual Dinner

Christ Episcopal Church will entertain at its annual congregational Dinner on Thursday, Feb. 17th, at 7:00 P. M. in the Parish House. The entire congregation is cordially invited to attend.

Please notify Mrs. Harold Weston or Mrs. Charles A. Breath by Monday, February 14th if you plan to attend.

St. Stanislaus Sidelines Club To Hold Football Banquet Tuesday Evening At Reed

Rev. F. X. Toner Will Speak; Announcement Of
Awards Will Be Made

The Saint Stanislaus Sidelines Club will hold their annual football banquet at the Hotel Reed, next Tuesday evening, February 15 at eight. The members of the football team will be the guests, and the announcement of the winners of the year's award will be made. However, the awards will not be given at this time, as the company is slow in its delivery of them.

Mr. Harold B. Weston, President of the Sidelines Club, will serve as Toastmaster. Father F. X. Toner

will be the principal speaker. Several others will be on the program, but the speaking will not be prolonged.

Letters of invitation have been sent each member of the Sidelines Club. If, through inadvertence, in the absence of Brother Edmund who took care of this, someone has not yet received his invitation, let him please contact Brother Alexis or Brother Linus immediately. The members are urged to return their acceptance cards at once.

OUR TOWN

By WARREN J. CARVER

Monday, February 7, 1949, was a busy day for the Commission Council. Bids were received for the police patrol car, repairs to the City Hall roof, fire hose and street signs.

Successful bidder on the patrol car was Gulf Chevrolet Company who bid on one 1949 Chevrolet 2-door Styleline Special sedan, equipped with seat covers, spot light, and oil bath air cleaner. Delivery, says Mr. Voight, will be made by Saturday, February 12, 1949. This patrol car will fill a much needed addition to our police protection system. Prior to this time it was necessary for the police to furnish their own transportation, or to rely on the kindness of someone who might consent to drive the officer to wherever the officer may have been wanted. If and when delivery is made on Saturday, the transportation will be on a cash basis.

More difficult to decide upon was the purchase of 500 feet of fire hose as advertised for on January 17, 1949. Six companies submitted bids. Each bid was for several different brands manufactured by various companies with each brand, of course, being bid at a different price. After much consideration and study, the Council awarded the bid to the local firm of W. A. McDonald & Sons, at a price of \$1.18 per foot, on terms of 2% in ten days.

Only two bids were received on street signs and the award was made to Harry Cornell Company of Jackson, Mississippi.

The Council decided after due consideration to reject the bids received for repairing the City Hall roof. Of the two bids received, one amounted to \$657.00, and the other \$538.00. The present roof has been on the building for forty-five years and it was deemed a probable waste of money to make the repairs when with the expenditure of a reasonable additional amount a new roof could be had. Advertisement for bids on this new roof appears elsewhere in this issue of the Echo, and specifications are on file in the office of the Clerk of the Council.

Monday morning also saw the beginning of the audit of the City books and records by the firm of Taylor, Powell, Wilson and Hartford, Certified Public Accountants of Jackson, Mississippi. The time necessary for the completion of the audit is not at this moment known. The Commission Council has been directed by Mr. Hartford, who is conducting the audit that no bills are to be paid until their work has been completed, or until such time as proper notice is given that all allowances may be made. The Council, of course, is anxious to receive the audit report because until such time as the report is received no definite plans for future operations can be formulated.

Building permits issued during the month of January, 1949, totaled \$6,850.00, of which \$3,650.00 was for frame construction and \$1,200.00 for a stucco garage. This figure seems to be very low and it is hoped that the public will have taken notice that Ordinance No. 12, adopted on August 5, 1929, provides that a permit shall be issued for the building, enlargement, or alteration of any structure within the corporate limits. The ordinance further provides that a penalty in the sum of \$25.00 shall be imposed on any and all persons who shall violate this provision.

Mrs. L. A. Rogers Named President of Young Womans Circle

The Young Womans Circle of the Womans Society of Christian Service of the Methodist Church now has twenty-five members.

Officers elected for 1949 are Mrs. L. A. Rogers, president; Mrs. Warren Traub, vice president and Mrs. David McDonald, secretary and treasurer.

Mrs. W. R. Pitcairn gave a talk on Alaska and its mission work at the January meeting.

St. Margaret's Daughters Met February 2nd.

St. Margaret's Daughters met in the lunch room on Wednesday, February 2nd at 3 P. M. with Mrs. George Guilbault presiding.

January minutes were read and a financial report was given. Reports of the various committees and the month's activities were made.

The annual report of general activities was also given. It was stated that 2742 luncheons were served during 1948.

Plans were formulated to have the lunch room ready by June for inspection by representatives of the Department of Education.

Rt. Rev. Monsignor Gmelch gave a short talk on February being Catholic Press Month. Stating the weekly paper "Catholic Action of the South" should be in every home. The meeting was closed with a prayer by Msgr. Gmelch, after which refreshments were served.

HOT AND COLD

Mayor Carver was asked on Monday morning if there was any change in his position on ordinance 118, which levies a \$60.00 per year tax on the operation of slot machines and other gambling devices operated in the City of Bay St. Louis. His reply was that he had not changed his position and that he would let it stand as was.

At the time of the adoption of ordinance 118, there was also introduced and adopted by the Mayor and Commission Council an ordinance numbered 119. This ordinance provided for the levying of a tax of \$120.00 per year on the operation of race horse machines, which are similar to slot machines. The tax on these particular machines was double the amount of that imposed on the slot machines. We have wondered why this tax was fixed at double the amount of that levied in ordinance 118. Could it have been that the machines taxed in ordinance 119, were not owned by the syndicate which operates the slot machines in the City of Bay St. Louis? Was it intended as a punitive measure by the syndicate against the owners of the race horse machines?

Mr. Mayor at the time you introduced both ordinances, why did you differentiate between the slot machines and the race horse machines? Had you made any investigation as to the amount of revenue derived from either, or was the information upon which you based your figure of \$60.00 per year for one and \$120.00 per year for the other, received from a source controlled by the syndicate.

And now, the \$64.00 question Mr. Mayor. Why did you call a special meeting of the Commission Council for the purpose of rescinding ordinance 119, which levied the tax on race horse machines? Was it the influence of the syndicate operating the gaming or gambling devices which brought about the repeal of ordinance 119? Was this action taken to avert strife between those engaged in illegal activities? Was this same influence, through fear of defeat, brought to bear in preventing the call of an election, through the adoption of section ten of ordinance 118. You changed your position on this question, yet you refuse to alter your position and allow your people to have a voice, or offer a defense by their vote, to the charge that they are responsible for the harmful condition existing, created by the operation of these gaming or gambling devices in the City of Bay St. Louis.

It has been your contention that this ordinance was adopted to raise some much needed revenue for the operation of the fiscal affairs of the City of Bay St. Louis. The amount of revenue to be derived from this source is a mere bagatelle compared to the total revenues derived or due to the City from other sources. If the Mayor and Commission Council will practice sound business principles, equalize assessment without discrimination, where all property owners will pay their proportionate part of the tax burden, and collect what is justly due, there will be a sufficient amount of taxation and other revenues to operate the City.

You aspired to be Mayor, in order to render a worthwhile service to the people of the City of your birth. We are certain that you hope to fulfill that earnest desire. Many of your efforts have been exerted in the interest and welfare of your City and its people, yet, you are placing your City in the position of aiding and abetting men, recognized as business and political leaders, who are engaged in illegal activities, and who are paying graft and bribery to officers charged with the enforcement of the law. You have shifted the blame on your people, and have charged that they are responsible for this condition, yet you refuse to allow them to speak. You are beating hot and cold. How can you conscientiously do it? The cure lies in your hands. You are the one directly charged with the enforcement of the laws. Your action in this matter has not been for the best interest of your City or its people.

Catholic Organizations Urged To Provide Entertainment For Vetrans By Sperker At N. C. C. W. Meeting

The regular monthly meeting of the Bay St. Louis District of National Council of Catholic Women met in Bay St. Louis at the Lunch Room on Wednesday afternoon, February 9th.

The following clergy and officials were present. Rt. Rev. Monsignor A. J. Gmelch, and Father Edward Desmond of Bay St. Louis, Father George O'Malley, C. M., of Long Beach and Father Pat Donohue, Catholic Chaplain at the Veterans Hospital; Mrs. M. Hoffman, Diocesan president; Mrs. George Guilbault, Deanery president; guests Miss Alberta Byrne, assistant Director of the National Catholic Community Service of Biloxi and Mrs. C. O. Flickner, president of Catholic Women's Club and representative of V. A. U. S. in Biloxi, with a representative group from Gulfport, Long Beach, Pass Christian and Bay St. Louis.

Father Donohue opened the meeting with a prayer. Minutes of previous meeting were approved and the treasurer's report given.

The State President's message was read by Mrs. George Anderson, Mrs. Hoffman read the Diocesan President's Message. Reports of the various committees were given.

At this time, Miss Alberta Byrne made an appeal to the Catholic Organizations to help provide entertainment for the veterans.

Father Donohue told how often the veterans are started back to a normal life because someone "opened a door." Such activities by individuals or organizations are truly acts of "Christian Charity" Father stated.

Mrs. C. O. Flickner explained the many forms of entertainment that the veterans can enjoy and participate in, giving several examples

of what the Catholic Women's Club has been able to do recently.

Father O'Malley answered the questions from the "Question Box" and then gave an interesting discourse on "Current Topics."

The meeting was adjourned with a prayer by Msgr. Gmelch.

St. Margaret's Daughters and St. Joseph Academy Parents' Club served refreshments during the get-together which followed.

The March meeting will be held in Pass Christian.

RED CROSS NEWS

The Red Cross Office has received information and application forms of the Louisiana Bonus, and will be glad to assist veterans wishing to apply for same.

Mr. George F. Stevenson, Chairman of the 1949 Fund Campaign, Mr. Roger Boh, Chapter Chairman, and Mrs. Elizabeth Weston, Executive Secretary, met with Mr. Louis Armstrong, General Field Representative of this area, and Miss Elmore Villere, special representative for the campaign, at the Gulfport Veterans Administration Hospital on Saturday, February 5th, to discuss plans for the campaign which starts March 1st.

Plans are being made for the usual monthly party for the veterans from the Gulfport Veterans Hospital Administration Hospital on Tuesday, February 22. These parties are given each month by the various organizations and individuals in the community as part of the program sponsored by Volunteer Services of Red Cross. Mrs. Leo W. Seal is chairman of Volunteer Services. Any one interested in entertaining the veterans may contact her, phone 164.

In the second meeting of their athletic history the Rockchaw boxers easily defeated the Tigers by a one sided score of 9-0. The score does not indicate the closeness and viciousness of some of the matches. The bouts between Oliver of Bay High and Benvenuti of S. S. C., Poyadou and Schwartz, Price and Morreale and Bankston and Powell were very close and the decisions hard to render. The Oliver-Benvenuti scrap was the best of the card, with both boys swinging with all their might from start to finish.

County Superintendent of Education

Declares Holiday for County

Relays Tuesday, Feb. 22nd, 1949

Due to the interest shown throughout the County for the 10 mile High School and 2 1/2 Mile Elementary School Relays, Superintendent of Education Ed. Breland has declared a holiday for every school (Public) in the County. Every school though somewhat hampered by weather and some sickness has shown a great deal of interest in these relays and are working diligently to bring glory to their individual schools. The interest has not been limited to the schools as citizens throughout the County have manifested a desire to cooperate with the officials in charge which is very gratifying and it is an insured fact come February 22nd, Hancock County will be pioneer in an athletic event which will probably be adopted by others in this section of the County. We have already been assured that residents of neighboring towns will be here on February 22nd, to witness the races. The trophies and individual medals will be received here some day of the coming week and will be displayed in local business houses. There will be a meeting Wednesday, Feb. 9th., 7:30 p. m. at the Court House, at which time the rules, regulations and final details of the races will be discussed. The following parties have been asked to attend the meeting:

Hancock County Members of the Board of Supervisors who are sponsoring the event.

Mayor Warren Carver.
Superintendent of Education Ed. Breland.
Brothers Alexis, Linus and Flavien of St. Stanislaus College who are in charge of Officials for the races.

Gerald Price, in charge of Traffic.
Dr. M. J. Wolfe, who is one of the greatest long distance runners of a few years past.

Rev. Father Toner, in charge of High School Relays.

Robert Camors, General Chairman of Relays.
Norman Hall of Bay High.
J. S. Renier of Dedaux High.
Oba Ladner of Sellers High.
Percy Garriga of Kiln High.
Albert McQueen of Aaron Academy.

Ed. Harriel of Logtown.
Mrs. J. D. Williams of Lakeshore.
Mrs. H. Mazurac of Clermont.
Miss Mary Perkins of Waveland.
Francis Lee of Leetown.
Oren Seal of Catahoula.
Forster Commagere, Director of Physical Education.

Members of the Local Press.
The names of individual contestants will be announced just as soon as the Coaches have picked their entrants from the several students who are trying out for the teams.

CAN BLACK-DRAUGHT Help Physical Fatigue?

Yes, Black-Draught may help physical fatigue if the only reason you have that makes you feel fatigued is because of overwork. Black-Draught, the friendly laxative, is usually prompt and thorough when taken as directed. It costs only a penny or two a day. There's why it has been a best-seller with four generations. If you are troubled with such symptoms as loss of appetite, headache, constipation, indigestion, physical fatigue, sleeplessness, mental exhaustion, bad breath—and if these symptoms are due only to overwork—then see what Black-Draught may do for you. Pulp Industry Encourages Growing More Trees

The Southern Forestry Conference will have the timely subject of "Pulp and Paper Industries Contribution to Southern Forestry" as its theme during a two day meeting in Montgomery, Alabama, February 18 and 19.

This Conference is sponsored by The Forest Farmers Association, with a membership of timberland owners throughout twelve Southern states.

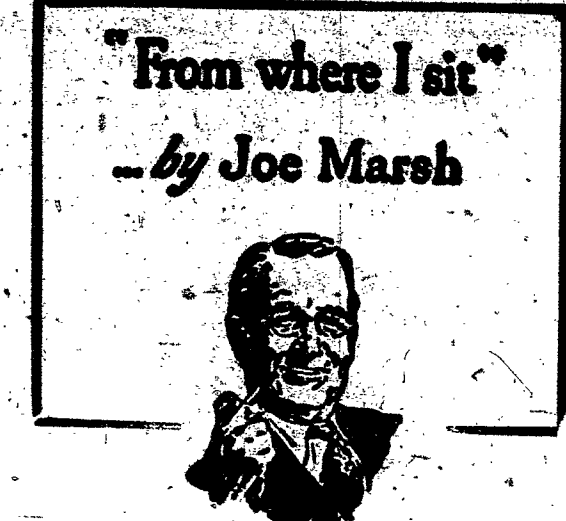

In selecting the Conference theme, the Association leaders, recognized that with a rapidly growing industry, such as pulp and paper in this region, there are certain problems and relationships between producers and consumers which must be adjusted. The presentations and discussions on the program are planned with that in view. Ample opportunity will be given participation of everyone attending the Conference to express their ideas on each subject to be presented.

The first morning of the Conference will be devoted to talks by leaders representing timber owners, general forest industries and the pulp and paper industry itself. In the afternoon a panel discussion will follow-up where these same groups of forestry interests can approach a method of working out the ideas set forth in the preceding session and of developing other approaches to specialized problems.

Friday evening will be the annual banquet with I. F. Eldridge, Dean of Southern Foresters as toastmaster and J. H. Allen, President of the Florida Pulp and Paper Company as principal speaker. There also will be entertainment features during the evening.

Saturday morning will be given to the consideration of practical and mechanical production of pulpwood. The latest and most economical equipment and procedures will be presented and discussed.

Other than the pulp and paper theme, there will be a luncheon on Friday when legislation which will have a bearing on timber, growing and forestry will be explained by Congressman Frank Boykin of Alabama and Congressman Robert L. F. Sikes of Florida who are recognized forestry leaders in Washington.

"From where I sit"
—by Joe Marsh

"Husbands, Wives And Marriage"

Maybe you read that survey published recently in a national magazine, entitled "Husbands, Wives, and Marriage."

It showed that among happily married couples, those who criticized themselves outnumbered those who criticized the other person. Among unhappily married couples, it was just the opposite—each one tended to criticize the other.

That's the way it is in our town, as I guess it is in yours. Criticism, whether it's of a wife's taste for hats, or a husband's taste for pipe tobacco and an evening glass of beer or ale, is a sure start towards unhappiness.

As for what made happy marriages, companionship within the home was listed most important of all. And from where I sit, a husband and wife who can spend an evening by the fire—with nothing more exciting than a mellow glass of beer, and a friendly conversation—are a truly well-matched couple!

MRS. NORTON HAAS
ENTERTAINS FOR MRS.
E. J. GEX JR.

Mrs. Norton Haas was hostess at her home on Thursday evening of last week at a party and surprise shower honoring Mrs. E. J. Gex Jr., the former Miss Juanita Loveless, who was married here on Saturday.

The reception rooms of the home were bright with spring flowers and the guests were entertained with several games which required thought to solve the hidden names, sentences and colors all of which had bearing on love engagements and weddings. Small potted plants were used as prizes.

The shower was the surprise part of the party and the honoree received lovely gifts.

Mrs. Haas served a party plate and jokes were told and advice to the bride-elect was given.

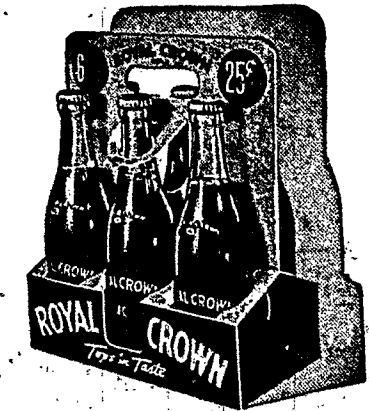

LITTLE THEATER NEWS

From our Production Chairman, Mrs. Rene de Montluzin, Jr., a list of the prospective plays for this year is given. Mrs. de Montluzin met with the Play Reading Committee, and after much thought and consideration of merits and advisability of production for our Little Theater, the following have been selected, all of which will be most adaptable to our particular resources, and also for audience approval and pleasure.

Two mystery plays have been chosen. Both are again Agatha Christie's and well known to theater goers, the first "Ten Little Indians," will be presented on the nights of March 24, 25 and 26.

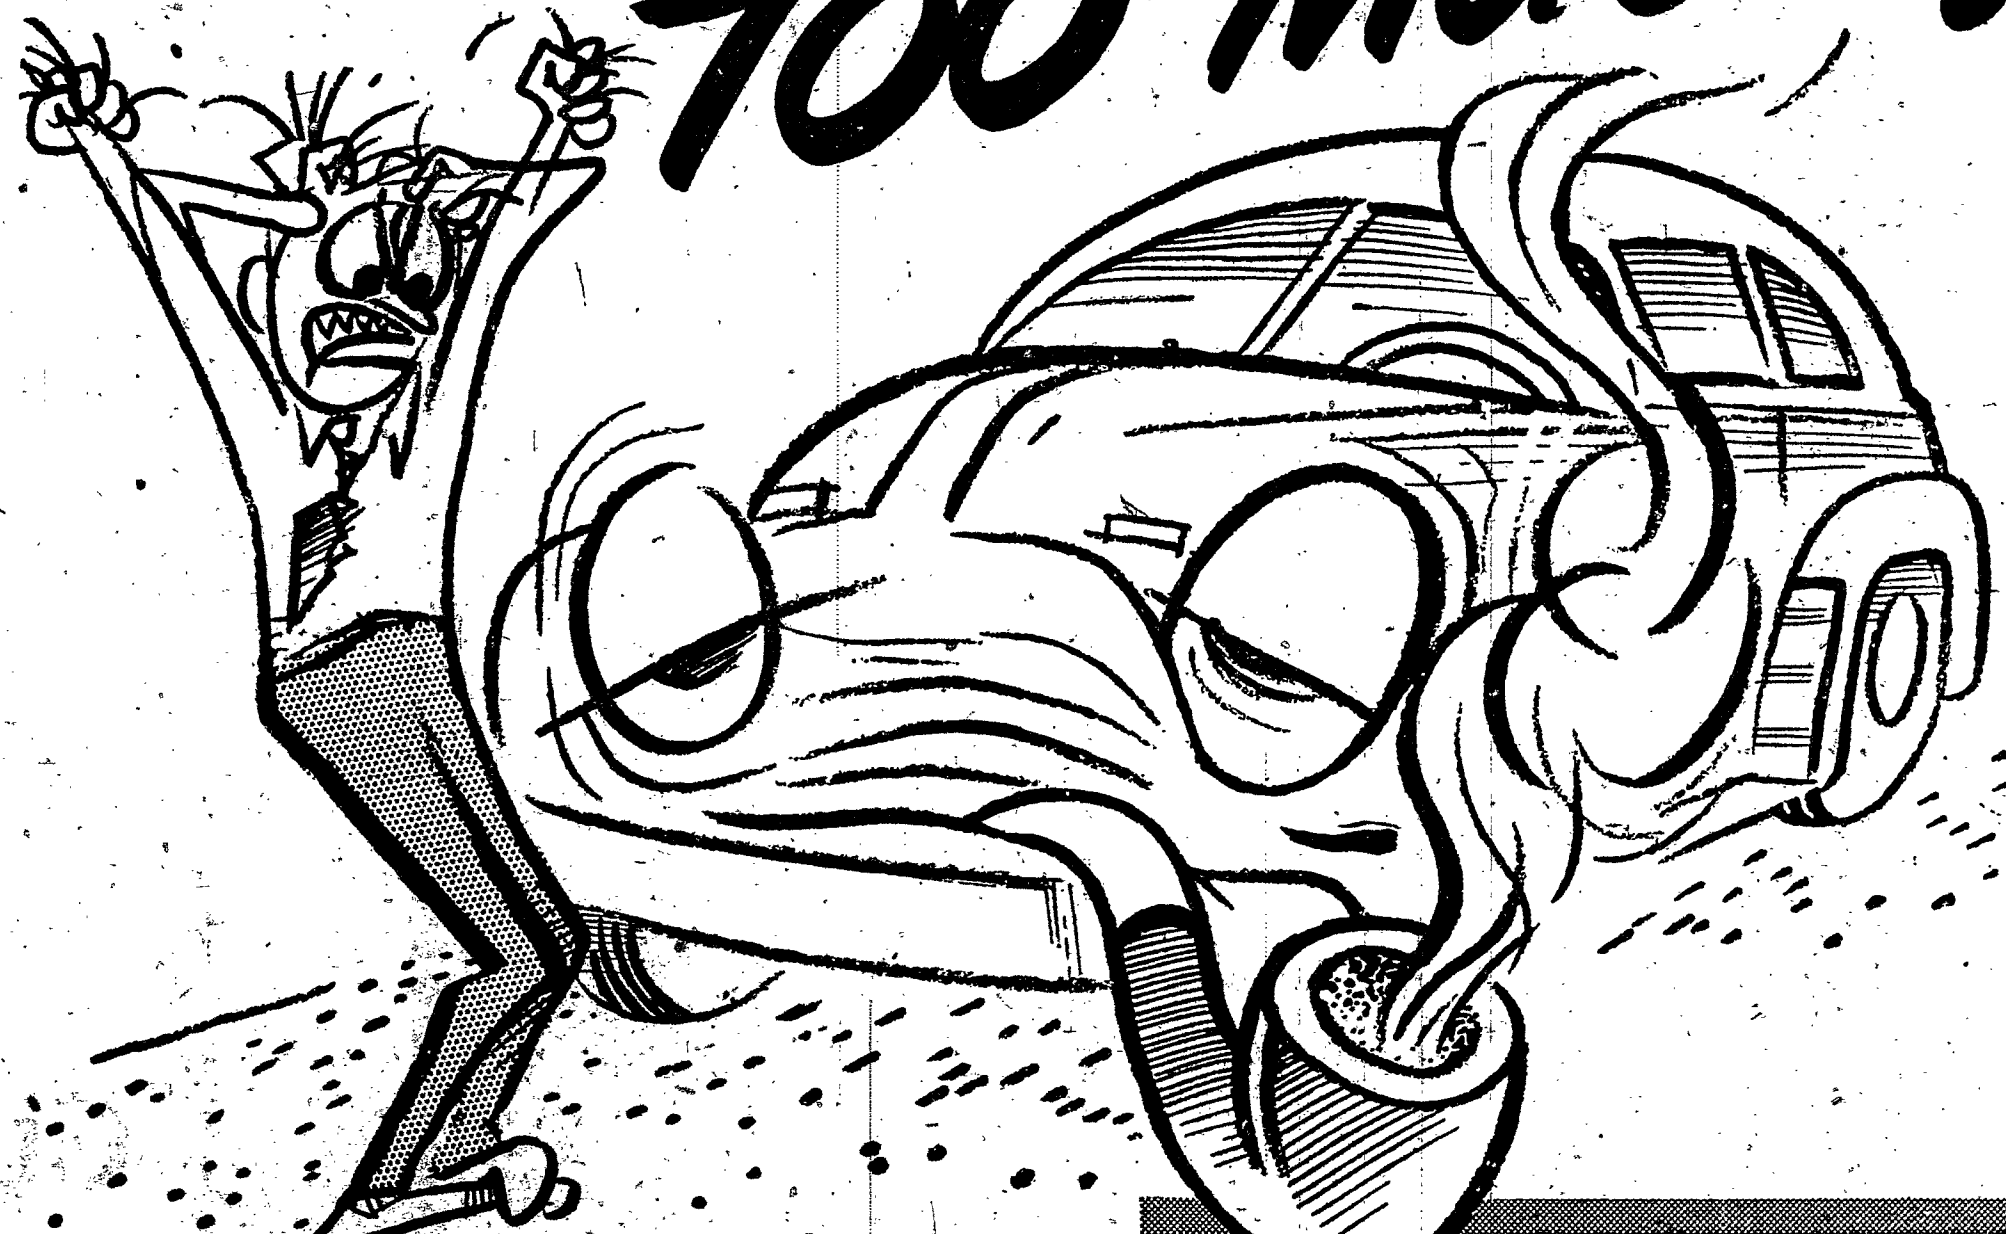

The second, "Love From a Stranger," will be produced later in the year. There are four comedies scheduled, "You Can't Take It With You," "The Man Who Came to Dinner," "Life With Father," and "My Sister Eileen."

It is the object of the Theater to bring to Bay St. Louis the best in the Theater World, and each play selected has been acclaimed on Broadway, also as outstanding films. It is not the good fortune of small town dwellers to have the advantage of a good legitimate theater, hence the growth all over the country of the Little Theater movement and Bay St. Louis can well be proud of her Little Theater, and those who work so conscientiously to bring us only the best plays.

Gone are the days...

It's a long time since a penny would buy a valentine—comic or otherwise—for a little boy. But it's a long time since a penny could buy much of anything.

Except electricity, of course. Pardon us for pointing, but each penny spent for electricity is a very pretty penny indeed. It buys so much for you! Yes, a single little copper will do any one of these things:

- BRING YOU AN EVENING OF RADIO ENTERTAINMENT
- SWISH THE DIRT FROM HALF A WEEK'S WASH
- TOAST THREE FULL LOAVES OF BREAD
- VACUUM-CLEAN SIX LARGE-SIZED RUGS
- TELL YOU THE CORRECT TIME FOR A WEEK

Yes, electricity does a lot for a little. And that's something, because it costs more to make and deliver electric service to you these days! Your friends and neighbors in this company—under sound business management—have used their skill and experience to make electricity the biggest bargain in your family budget.

COUNTY AGENT
NOTES

Grazing must be planned months ahead of the need, states W. R. Thompson, associate extension agronomist.

It is too late to plan for extra grazing after it is needed.

Many farmers have reported big profits from the fall and winter grazing which is not yet over. The pasture program is a soil-saving and money-making one.

Plan now whether to add more lespedeza or sudan to the grazing program.

There should be at least one acre of good clover for each three cows. Summer grazing may then be one acre per cow of lespedeza following oats, or dallis following clover, along with one-third acre of sudan or kudzu for temporary grazing.

Alyce clover can be used in the southern part of Mississippi.

Fall grazing should be dallis and Bermuda, kudzu and sudan or Johnson grass.

Different areas use different plants for temporary grazing, and red clover should be used for summer and fall grazing where it grows well, sometimes alfalfa is grazed during the summer when other crops are dry.

The secret of a successful summer and fall grazing plan is to have plenty of land in case of drought. Hay can be cut if all is not needed for grazing.

A few other pasture plans made now will pay in the future. This includes planning to use the help offered by PMA program. Since minerals are absolutely necessary for good pastures, take all the minerals available.

If there was a pasture which gave out of water last summer, plan to construct a pond there this summer.

A farmer without a mowing machine should plan to buy one. A good pasture cannot be maintained without a mowing machine. If a mineral spreader can be purchased, it will get plenty of use, as pastures will always need minerals.

Plan For Chicks Now

Plan now for hens to fill the laying house next fall, advises Paul Young, Extension Poultryman.

There can be little delay in seeing a hatcheryman, since those who produce good chicks are already pretty well booked up. Many farmers who a year ago neglected to secure baby chicks for flock replacements have wished during the past few months with eggs scarce and the price high

that their laying houses were full. Early layers pay off. Early chicks make early layers. These chicks should go into the brooder house in February or early March.

Secure chicks from good standard bred stock that is also bred for high egg production. Hatcheries in Mississippi operate under regulations of the Livestock Sanitary Board and under the supervision of the National Poultry Improvement Plan.

Remember that small flocks of under 200 layers do not produce as economically as larger flocks of 200 to 300.

The farmer who purchases straight-run chicks should start three chicks for each pullet he expects to house next fall. With 900 such chicks, he can expect 450 to be cockerels, which he will probably market as broilers.

Even with some lost, out of the original 900 there should be 400 pullets by late summer. The farmer can then select the best 300 to put in his laying house in August.

If one prefers to buy sexed chicks, he should figure on starting about 500 such chicks to have 300 pullets ready to house next fall.

Further information about buying and caring for chicks can be obtained from County Extension Agents.

EARN AND LEARN

Young man, here's a chance to learn a valuable trade—and the training won't cost you a penny! Plus opportunity to further your education in a number of other ways. The new U. S. Army and U. S. Air Force need men with ambition; men who seek to advance themselves through the kind of training so necessary for success these days. Investigate at once the educational benefits offered. See your recruiter at the U. S. Army and U. S. Air Force Recruiting Station located at the Courthouse here on Wednesdays. The trained man gets ahead; he is among that up-and-coming company. Army trade schools are the best in the world. Air Force technical schools, too, high, too. Yes, earn and learn, by enlisting for training that really pays off in dollars and cents. Remember, this education costs you nothing.

Veteran's News

Veteran enrollments in colleges and universities under Federal training programs on November 30, 1948, dropped 15 percent below enrollments on November 30, 1947, the Veterans Administration reports.

Similarly, enrollments on October 31, 1948, were 17 percent under the totals for October 31, 1947. This fall's drop in the number of veterans in institutions of higher learning under the GI Bill and Public Law 16 (for the disabled) marked the reversal of a general upward trend that had continued since both laws went into effect.

The number of veterans in colleges and universities on November 30, 1948, under both laws was 1,050,660, compared with 1,235,761 as of a year ago.

The October 31, 1948, total was 953,247, while the figure for October 31, 1947, was 1,149,933.

Despite the drop in college enrollments, the number of veterans in schools below the college level under the GI Bill and Public Law 16 showed a slight increase this fall over last fall.

On November 30, 1948, there were 701,121 veterans in such schools, under the two laws—a 2 percent increase over the 686,664 total of a year ago.

A surplus textbook project under which the VA saved about \$5,000,000 is coming to an end.

The project called for textbooks, declared surplus by the armed forces, to be distributed to veterans studying under the GI Bill and the Vocational Rehabilitation Act for the disabled.

During the year and five months the project was in operation—from May 15, 1946 to October 16, 1947—approximately 2,000,000 surplus books were sent to 2,036 educational institutions for possible use by veteran students.

QUESTIONS AND ANSWERS

Q—My husband, a World War II veteran, holds a bad conduct discharge. Is he entitled to benefits under the GI Bill?

A—Since your husband holds neither an honorable nor a dishonorable discharge from the Armed services, it will be necessary for him to ask his nearest VA office for a decision as to whether he was discharged under conditions other than dishonorable. He also may apply to the Army or Navy for revision of discharge.

Q—Is my aunt, the daughter of a Civil War Veteran, eligible for pension? She and her mother were dependent on the veteran at the time of his death. The widow received a pension until her death, leaving her daughter, aged 75.

A—Unless your aunt was permanently helpless by reason of physical or mental disability prior to having reached the age of 16, she could not now qualify for pension based on her father's service.

Q—Is there any time limit to the duration of a business loan?

A—Yes. A non-real estate business loan must be repaid in 10 years or less; real estate loans may run up to 25 years.

Q—Am I eligible for a GI loan to buy a share in a going business in another city?

A—You are eligible if you devote your personal labor or supervise the business either on a full-time or part time basis.

Vital Statistics For January, 1949

There were 19 births and 3 deaths in Hancock County for the month of January, according to Mrs. Eugenia Allison, local registrar of births and deaths.

Eighteen of the births were white and one was colored. All three of the deaths were white.

Heart disease and drowning accounted for two of the three deaths.

Robert L. Genin Named Member of Conservation Committee Of Oil and Gas Association

Appointment of the Conservation Committee, probably the most important to the general public of all groups of the Mid-Continent Oil and Gas Association, Mississippi-Alabama Division, was announced here this week by President James P. Evans, Jr., of Jackson.

The largest of all the committees serving the Association, the Conservation group includes members from all parts of the state. President Evans states that the new committee will work with the industry, landowners and the new Oil and Gas Board to see that the new conservation measure does its primary job—"to prevent waste."

E. B. McGehee, young Jackson independent operator, is chairman of the new committee, and C. W. Alexander, widely known Jackson Oil expert, serves as vice chairman.

Mr. Evans also named the new membership committee, which he said will attempt to spread the membership among more Mississippians; he pointed out that supply dealers, bankers, and others are as interested in objectives of the association as major and independent oil companies and drillers.

Rhea J. Smith, well known Jackson oil man, is chairman of this committee and Michael McKay, also of Jackson, Miss., is vice-chairman. Mr. Evans is also a member; others include E. D. Kenna, executive vice-McGehee, W. M. Moulner, A. J. Vietz, J. H. Watt, Buford Yerger and J. D. Davis, all of Jackson.

Also on the Conservation Committee are Walter W. Barber, Perkinson; E. L. Brunini, Vicksburg; Robert L. Genin, Bay St. Louis; A. E. Groff, Houston, Texas; F. E. Heath, Dallas; Dennis Granberry, Laurel; Lucius Lamar, New Orleans; V. B. McWhorter, Wynesboro; J. R. McWilliams, Tulsa; E. A. Murchison, Tallahassee, Florida; Wm. C. Nolan, El Dorado; H. P. Pressler, Houston; Texas; Tip Ray, Canton; S. T. Roebuck, Newton; W. W. Ramsuer, Laurel; A. A. Spencer, Yazoo City; V. S. Whitesides, Tupelo; and the following, all of Jackson.

J. W. Barksdale, J. T. Brown, Robert Burns, Mr. Evans, R. F. Higginbotham, L. P. Love, L. R. McFarland, M. E. Miesse, M. E. Norman, John Satterfield, Rhea J. Smith, Henry R. Toler, W. M. Vaughan, W. H. Wallace, J. R. Wheeler, J. K. Knight, W. P. Spalls, and W. B. Downer.

MAYOR EXPRESSES INTEREST IN LIBRARY

The members of the Hancock County Library Board extended an invitation to Mayor Warren Carver to attend the recent book review given by the Rev. John T. Dearing. Unable to attend due to other engagements, Mr. Carver addressed the following letter to the Library Board expressing his thanks and his interest in the Library and its future:

25th January, 1949
Dear Members of the Library Board: Please allow me to express my appreciation for your kind invitation to attend the review of "The Big Fisherman" which is to be given by the Rev. John T. Dearing. I regret the fact that it will be impossible for me to attend.

I was especially anxious to be present at the review because I realize that such an occasion would be an excellent opportunity for me to express by thoughts concerning plans for the future expansion of our local library. As you know during last summer's campaign I went on record as being in favor of a modern, up-to-date library. Such a library, of course, cannot be foreseen in the immediate future but I do think that before too great a time it can actually become a reality. For the present I think that we must all be content with the small contribution from City funds. It has been some time since this monthly contribution has been made but at the next meeting of the Commission Council I shall try to do everything possible to get official sanction for the resumption of these monthly payments.

Very sincerely yours,
WARREN CARVER
Mayor.

Soil Conservation News

By J. L. Bishop,
Soil Conservationist

Hancock County Soil Conservation District Commissioners held their meeting Friday, January 28th at 1:00 p. m., K. C. Building, Bay St. Louis, for the purpose of making the annual report on Soil Conservation Program ending December 1948. New goals for 1949 were also discussed.

Members of the Commissioners present were as follows: Otho Rester, Chairman; Alfred E. Emith, Vice Chairman; Fitzhugh Lee, Secretary and Treasurer; Frank Shaw and Lucien Hoda.

Cooperators present at the meeting were George A. Spiers, Mrs. Katherine A. Wittorf, Alfred Wittorf, Fred C. Taylor, Melvin Shaw and Joseph L. Shaw, a new Cooperator in the District Program.

D. C. Morris, District Conservationist and Miss Martin, Stenographer from Hattiesburg District Soil Conservation office were present at the meeting. Howard Simmons, County Agent, made a brief talk on "what Soil Conservation means to the farmers of Hancock County."

Others attending from the local Soil Conservation Office were J. L. Bishop, Soil Conservationist, Charles E. Bryan, Conservation Aide and B. L. Dossett, Aide.

After the meeting adjourned, Mr. Fred C. Taylor invited everyone attending the meeting to see his Kentucky 81 Fescue and White Dutch Clover on his farm, which he planted last October for winter pasture. Every member inspected the Fescue, White Dutch pasture and were much pleased with its growth in the County.

Meeting Held To Discuss Endorsement Of Shellfish Control Program By U. S. Health Service

A meeting was held on February 3, 1949, at the Harrison County Health Department to discuss the endorsement of the Shellfish Control program of Mississippi, by the U. S. P. H. S. Representing the U. S. P. H. S. was Mr. Richard S. Green, chief of Shellfish Sanitation Branch, from Washington, D. C.; Mr. Taylor and Mr. Long from U. S. P. H. S. district office New Orleans, La.; Mr. Nalf Jordan represented the Mississippi Seafood Commission. The Mississippi State Board of Health representatives included Mr. H. A. Kreeze, Director Sanitary Engineering and Mr. George T. Carmichael, Seafood Supervisor; Dr. Andrew Hedberg, and Mr. George Taft represented the Harrison County Health Department.

The present situation of the program was discussed and the public Health Service representatives refused to endorse the program under its present conditions. The main objection was the allowing of oysters to be removed from a section of Biloxi Bay. This section immediately south of the Hwy. No. 90 bridge

has been proven to have a degree of pollution above that expected as standard by the U. S. P. H. S.

The exact location of the closure line which had been established brought about much discussion. It was realized that every foot of oyster bottoms closed was very valuable and limited the now existing oyster reefs. It was also realized that if there was any possibility of endangering the health of the consuming public that their welfare was to come first. It was finally agreed, after discussion over every foot of oyster growing bottoms, and available laboratory evidence in these areas, that the closure line would include that portion of Biloxi Bay included between the U. S. Highway Bridge No. 90 and a line beginning at the first pier southeast of the Ocean Springs small craft harbor, which line shall run in a southwesterly direction through Flashing Light No. 4 to Fixed Light No. 42, thence to Fixed Light No. 36, thence directly south to Deer Island to a fixed marker to be established by the Mississippi Seafood Commission and the State Board of Health; and including the area fronting the city of Biloxi from the U. S. O. Building to the most easterly point of the Biloxi Peninsula at the U. S. Coast Guard Base, adn lying between the main short line and Deer Island, West of Fixed Light No. 36, and the line running due south therefrom to a marker on Deer Island as indicated above. Reference points indicated herein are based on the U. S. Coast and Geodetic Survey Map No. 1267, 6th Edition, March 1947.

This area will be closed for the commercial use of shellfish by an order from the State Board of Health. The Seafood Commission has accepted responsibility of patrolling or removing of the oysters from this newly closed area.

On the basis of this information the U. S. P. H. S. will again endorse the control program of Mississippi and the industry can begin shipments of oysters outside the state. This endorsement is to become effective on February 21, 1949. It is hoped that oyster shipments outside the state can begin on that date.

The endorsement by the U. S. P.

CENTRAL SCHOOL P. T. A. OBSERVES FORTIETH BIRTHDAY

Tuesday, February 8, marked Founders Day for the National Congress of Parent-Teachers. The association was 40 years old and the National President's message, "Back-grounds" was read by Mrs. C. C. McDonald.

The program was in charge of Miss Mildred Gablet and Miss Alma Parker, who spoke of the ill-uses of alcohol, and Audrey Mays discussed the benefits of physical education. A clever skit was put on by Norma Johnson, Temple Perkins, Florence Stiglet, Bobbie Garcia, June Breath and Georgette Mays. It opened with a hospital scene where doctors and nurses were operating and removing from a girl's body: Lack of Exercise, Improper Diet, Laziness, Selfishness and Poor Sportsmanship. It was necessary to do this in order that the girl might be fitted to participate in athletics.

The third, sixth and ninth grades tied for the attendance award and the president Mrs. A. J. Noto left the decision with the P. T. A. members who voted to give each a like award.

Coffee was served in the Home Economics Room where the large birthday cake was cut and served by members of the department.

LAKE SHORE MOTHERS' CLUB MEETS

At the regular monthly meeting of the Lakeshore Mothers' Club held at the Gulfview school on Wednesday of last week Mrs. William Bordage was elected secretary to succeed Mrs. Jack Fisher who will leave Lakeshore in the near future to make her home in Wyoming.

Plans were made to see that each class room has a first aid kit before the next meeting.

Expressions of appreciation were heard from the teachers for the "black out" curtains made and donated by the mothers for use in the school during the daylight picture shows.

HOME DEMONSTRATION LEADER TRAINING

A Home Demonstration Leader Training meeting was held February 2nd. Miss Mamie Brock, Clothing Specialist from State College gave demonstrations on "Putting in a Zipper," a new way of "Making a Bound Button Hole" and "Using Machine Attachments."

Different Home Demonstration Clubs in the County were represented by their Program Leaders. Those attending were: Mrs. W. L. Reeder, Mrs. Karl Craft, Mrs. John Nease, Mrs. Willie Spence, Mrs. J. L. Saleeby and Mrs. Ola Moran.

—Mr. and Mrs. Ellis Guillory have had as recent guests in their home, Mrs. Guillory's grandfather, Oliver S. Liveaudais, her brother Oliver Delery and Misses Lillian Dubuc and Iris Boudelon all of New Orleans.

H. S. is printed every 2 weeks and it is anticipated that all administrative details will be worked out in order that all Mississippi oyster plants can be included on the next publication which will be released on February 21, 1949. No shippers will release oysters for interstate shipment until officially notified by the Harrison County Health Department or the Seafood Commission office. This will be done as soon as we are sure that the endorsed list has been sent throughout the country to prevent losses of shipments by our distributors.

BAPTIST MISSION ESTABLISHED AT WAVELAND

The Baptist Mission established at Waveland is an outgrowth of the Revival held there January 17-21 which was under the direction of the Gulf Coast Baptist Association with Rev. O. B. Anderson, Gulf Coast Missionary, doing the preaching.

Services are being held in the home of Mr. and Mrs. A. G. Siegel until such time as a suitable lot can be purchased and a church built. A substantial amount has been raised for a building fund.

On Sunday, February 6 there were 23 in attendance at the morning church service which is held each Sunday morning at 10 o'clock and Sunday School is held each Sunday morning at 11 and evening service each Sunday at 6:30 P. M. Mr. Anderson will preach on the first, third and fifth Sundays and Rev. John T. Dearing will preach on the second and fourth Sundays.

Mr. and Mrs. Forrest Milner Stevens, who were married on Sunday, January 30th., at Our Lady of the Gulf Catholic Church. The bride is the former Miss Georgia Rose Staehle.

Francis Wilson Dies In San Antonio Veterans Hospital

News has been received here of the death of Private Francis Wilson who died Tuesday, February 8, 1949, in the Sam Houston Veterans Hospital in San Antonio, Texas.

Pvt. Wilson reenlisted in the U. S. Army and after four months at Keesler Field was sent to Alaska where he was stationed for a year.

He was taken ill in December and was returned to the States by plane. His condition became critical several weeks ago and Mrs. Wilson has been at his bedside ever since.

The body was brought to Bay St. Louis and the funeral was held this Friday morning at 11 o'clock, with interment in Cedar Rest Cemetery. Religious services were conducted at the funeral home by Rev. H. Bufkin Oliver and the American Legion conducted the services at the grave. The pallbearers were members of the American Legion. Pvt. Wilson was a native of Northwestern United States and was stationed at Keesler Field during World War II. Mrs. Wilson is known here as Mrs. Catherine Thomas.

Coming from New Orleans for the funeral were Mrs. Wilson, her sister Mrs. Thelma Morris and A. J. and Bill Thomas.

Mississippi State Library Commission Bookmobile Visits Here

The Mississippi State Library Commission Bookmobile came through as scheduled Saturday, February 5, despite the weather. Mrs. Evelyn Glass Reed, field representative of the Commission and Miss Eleanor Grawlow, extension librarian, made the trip.

Mayor W. J. Carver was on hand to extend a welcome and later A. C. Mitchell, Clerk of Courts, E. E. Breland, county superintendent of Education and Claiborne Ladner, County Tax Assessor, visited and learned quite a lot of how this is financed, the connecting link between the state and county libraries, and pledged their support to the library.

Quite a number of the members of the library board braved the elements and spent most of the morning

conferring with the personnel of the bookmobile and planning for future, bigger and better days for the Bay St. Louis-Hancock County library. There were a number of the school children out and they were given the privilege of selecting some of the books to be left with the local library.

The books, childrens and adult's, fiction and non-fiction, left this trip will be picked up in April and an equal number left here. Readers of the local library are requested to file lists with Miss Crawford of the books they are anxious to read and these will be requested from the library Commission.

As soon as the books left here on Saturday are ready for circulation readers will be notified.
